exciting NEW ITINERARIES

Beginning in 2017, our four-ship fleet offers more diverse voyages than ever before. Our expertly designed itineraries feature exhilarating calls on iconic world cities, exciting overnights and plenty of time in port to fully experience the must-see sights and hidden treasures of the places you've longed to explore. Below is a sampling of notable sailings among the more than 100 voyages highlighted within this ambitious collection.

VOYAGE THROUGH THE NORTHWEST PASSAGE

Aboard our most intimate and beloved ship, *Seven Seas Navigator*[®], you may embark on an unprecedented voyage through Canada's fabled Northwest Passage. In 2017, depart from Seward and sail through sounds, channels, bays, and straits that pass through often ice-filled Arctic waters before arriving at Montréal on the 30-night *Grand Northwest Passage* voyage (pg. 27). Explore 11 new ports, including the dramatic Alaskan coasts of Homer and Kodiak, as well as the rare wildlife and vibrant culture of Greenland in Upernavik and Uummannaq. Journey to Saguenay, Canada's only navigable fjord, surrounded by verdant mountains and high plateaus, and then contrast that landscape with the spectacular views of the St. Lawrence River from Dufferin Terrace in Quebec City. This once-in-a-lifetime voyage is the perfect combination of adventure and exploration with the world's most inclusive luxury experience.

A RETURN TO THE WEST COAST AND A RECORD NUMBER OF PANAMA CANAL CROSSINGS

Regent Seven Seas Cruises® has added more departures from Los Angeles, California, allowing you to explore the serene islands of Hawaii and the culturally rich Mexican Riviera. *Seven Seas Navigator*® and the newly refurbished *Seven Seas Mariner*® will travel between the world's greatest oceans and to the vibrant cities of Central America through the magnificent Panama Canal a record eight times in the 2017-2018 season. In the summer, *Seven Seas Mariner*® returns to Alaska not only as the most luxurious ship to sail the region, but also offering the exclusive optional 5-night Land Programme, Canadian Rockies by Rocky Mountaineer, that allows you to see the best of the Canadian West, much of it from the comfort of an opulent GoldLeaf Service coach.

EXPLORING EUROPE THROUGHOUT THE SEASONS

In June 2017, *Seven Seas Explorer*® arrives in Southampton to celebrate her inaugural season in Northern Europe, which includes destination-rich itineraries to Iceland and the Baltic. At the same time, *Seven Seas Voyager*® makes her triumphant return to the glamorous Mediterranean from June through October. For those adventurers wishing to peek at the changing of the season across the ocean, embark on the *Fall Foliage Crossing* from Lisbon to New York aboard *Seven Seas Navigator*® (pg. 17). And sail to the top of the world without having to fly across the Atlantic, cruising through white nights between Reykjavik and Oslo aboard the *Grand Arctic Journey* (pg. 46) from Montréal to New York.

explore FREE UNLIMITED SHORE EXCURSIONS

Within the destination-rich itineraries that will take you from the mystic islands of South Asia to the iconic cities of Europe to the serene and lush landscapes of Hawaii, the 2017-2018 Voyage Collection includes an exceptional array of FREE Unlimited Shore Excursions. QUESTIONS & ANSWERS

Regent Seven Seas Cruises® include free economy* flights for all cruises. Flights are subject to availability and supplements may apply. Please refer to the details below for more information about our air programme - further information can be found on page 118.

CAN I UPGRADE MY FLIGHT?

Yes, please contact our reservations department who will be happy to quote for special upgrade prices to premium economy, business class and first class. Upgrades are subject to availability, routing and aircraft type. Air upgrades apply to international sectors only. Domestic (UK) and internal flights within other countries will be in economy class (unless stated otherwise).

CAN I PRE-BOOK MY AIRLINE SEAT?

Most airlines do make a charge for allocating seat numbers prior to check-in. Where this is the case, airline tickets have to be issued in order for the airline to pre-book your seats. We will only issue flight tickets upon receipt of the full monies due for the cruise booking. Guests must contact the airline directly to pre-allocate their seats and pay any relevant fees. In all instances airline seat numbers are never guaranteed and can be changed by the airline due to operational reasons.

CAN I ORDER SPECIAL/MEDICAL MEALS FOR MY FLIGHT?

Special meal requests are the sole responsibility of the guest and must be made directly with the airline. Special meals must be requested at least 72 hours prior to the flight.

CAN I CLAIM FREQUENT FLYER MILES/POINTS?

If you are a member of an airline frequent flyer programme and wish to have your details

recorded in your booking please contact the airline directly. Some airlines restrict the ability to accrue miles in conjunction with fares used by Regent Seven Seas Cruises®.

CAN I USE MY FREQUENT FLYER MILES/POINTS TO UPGRADE MY AIRLINE TICKET?

In most cases it is not possible to upgrade your ticket with your airline frequent flyer points. Due to the specially negotiated fares which exist between Regent Seven Seas Cruises® and the airlines, the airlines do not allow this method of payment for upgrades.

WHAT IF I HAVE SPECIAL MEDICAL REQUESTS OR NEED WHEELCHAIR ASSISTANCE?

If you have any special medical requests or require wheelchair or mobility assistance please contact us to discuss your requirements. Airlines have different restrictions and we can advise on any special information they require. Further information can also be obtained from the airlines website.

WHAT IS MY LUGGAGE ALLOWANCE FOR MY FLIGHTS?

Free luggage allowances vary by airline and by class of travel. Please check with your airline on your itinerary for the exact allowance and for any applicable excess baggage charge.

BOOKING CONDITIONS

Seven Seas Cruises S. DE R. L.

CUSTOMER PROTECTION

We recognise how important it is that the advance monies you pay for your cruise arrangements are secure. The laws and Regulations that govern the protection of these monies is complex and confusing so we have clearly set out below, the arrangements in place in respect of all probable combinations of cruise arrangements that you book with or through us:-

i) Regent Seven Seas Cruises* Fly Cruise

The Package Travel, Package Holidays and Package Tours Regulations 1992 require us to provide security for the monies that you pay for the fly cruise package holidays booked from this brochure and for your repatriation in the event of our insolvency. We provide this security by way of a bond held by the Civil Aviation Authority under ATOL number 10297. In respect of all cruise arrangements including flights you will receive a Confirmation invoice from us (or via our authorised agent through which you booked) confirming your arrangements and your protection under our Air Travel Organiser's Licence. This means that in respect of all arrangements including flights, in the unlikely event of our insolvency, the CAA will ensure that you are not left stranded abroad or will arrange to refund any money you have paid to us for an advance booking except where your contracted arrangements with us do not include transport to and from the UK. In this case, if already abroad, you will be returned to the point where your contracted arrangements with us commenced. For further information, visit the ATOL website at www.atol.org.uk. The price of our flight inclusive arrangements excludes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is shown as an additional item in our advertised prices.

ii) Arrangements without flights

If you book arrangements that do not include flights, your arrangements will be protected by way of a bond provided by ABTA. This means that, in the unlikely event of our insolvency, your cruise can't be provided, you will receive your money back or, if your cruise has started, arrangements will be made for you to be able to continue as planned.

iii) 'Cruise only' arrangements sold by a third party

Our financial protection in i and ii above does not cover cruises sold by third parties as principal to whom we supply a 'cruise-only' holiday and who sell this to consumers as a cruise only or in conjunction with other services (such as flights, on-shore accommodation and/or ground transfers) at an inclusive price. In this situation, the entire holiday including the cruise and all other such services and arrangements will be with the third party organiser and not us. That organiser will be obliged under The Package Travel, Package Holidays and Package Tours Regulations 1992 to provide financial security for all the monies paid to it. These bookings will not be protected by our ATOL or ABTA bond. Instead, the organiser will have their own ATOL (if the holiday includes any flight(s)) or other appropriate financial security arrangements to protect all monies paid to that organiser for the holiday and to repatriate holidaymakers (if applicable) in the event of their insolvency. The organiser should issue a confirmation invoice showing that they are responsible for providing all elements of the holiday.

For further information visit the appropriate websites: www.atol.org.uk or www.abta.com.

TERMS OF THE CONTRACT

- He/she is over 18 years of age and where placing an order for services with age restrictions declares that he/she and all members of the party are of the appropriate age to purchase those services;
- He/she will be responsible for making all payments due to us.

1. DEPOSIT & PAYMENT POLICY:

Deposit – For all cruises, in order to confirm a booking, a deposit of 20% of the cost of the arrangements is payable, plus any additional monies for flights or hotels in order to confirm airline seats or hotel rooms.

Regent Seven Seas Cruises* accepts no responsibility for foreign currency/transaction fees charged by credit card companies. Guests should check with their individual credit card companies for more information. None of these fees accrue to the benefit of Regent Seven Seas Cruises*.

Contact us immediately if any information which appears on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later.

3. GUEST INFORMATION

Please note a Guest Registration Form (GRF) must be returned within seven days of your booking being confirmed and is a mandatory requirement of the booking process as this contains vital guest information. Our policies and procedures are constantly evolving. At time of printing, all those listed in our brochure were correct. We reserve the right to amend the advertised prices of arrangements at any time. We also reserve the right to correct errors in both advertised and confirmed prices. The Company's prices are based on known costs and projections at the time of printing and it does not expect to have to make any changes. However, the Company reserves the right to change prices at any time up to 30 days before departure to allow for variations caused by a) exchange rates b) changes in transportation costs, including the cost of fuel and, c) government action such as changes in VAT or any other government imposed changes; including dues, taxes or fees chargeable for services such as embarkation or disembarkation fees at ports or airports. Even in these cases, the Company will absorb an amount equivalent to 2% of the holiday price (excluding insurance premiums and amendment charges). If this means that you have to pay an increase of more than 10% of the price of your confirmed travel arrangements (excluding any amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice. Should the price of your holiday go down due to the changes mentioned above, by more than 2%

of your holiday cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place. There will be no change made to the price of your confirmed holiday within 30 days of your departure nor will refunds be paid during this period. Airline tickets can only be issued upon receipt of full payment.

5. INSURANCE

All guests must have appropriate personal travel insurance to cover against cancellation, medical expenses, repatriation in the event of accident or illness, loss of luggage etc. It is the guest's responsibility to ensure that adequate insurance is taken and we strongly recommend that you contact your travel agent or an independent insurance broker for details of suitable policies. Should you choose to travel without adequate insurance cover, we will not be liable for any losses howsoever arising, in respect of which insurance cover would otherwise have been available.

6. PASSPORTS, VISAS AND HEALTH REQUIREMENTS

It is the party leader's responsibility to ensure that all members of the party fulfil the passport, visa, health and immigration requirements applicable to your itinerary. We can only provide general information about this. You must check requirements for your own specific circumstances with the relevant Embassies and/or Consulates and your own doctor as applicable. Requirements do change and you must check the up to date position in good time before departure.

All guests must possess a full passport, valid for at least 6 months after the end of their holiday. Non-British passport holders should check entry requirements with the countries they will visit during their cruise.

Medical advice changes frequently, and therefore we recommend that guests seek professional medical advice regarding vaccination requirements for their holiday. Please contact your G.P. for advice and the most up-to-date health requirements or www.fifortravel.nhs.uk/home or MASTA on www.masta-travel-health.com/. All guests are responsible for ensuring that they conform to passport, visa and vaccination requirements for all countries they will visit during their cruise. Regent Seven Seas Cruises* may at certain times deem it appropriate to require the guest to have specific vaccinations. Details will be advised as soon as possible. Up to date travel advice can be obtained from the Foreign and Commonwealth Office, visit www.gov.uk/fco.

Security measures imposed by governments may change from time to time and you will be required to comply with them. As a courtesy, we will endeavour to provide you with notice of measures which may affect you, but complying with any such requirements is your responsibility.

We do not accept any responsibility if you cannot travel, or incur any other loss because you have not complied with any passport, visa, immigration requirements or health formalities. You agree to reimburse us in relation to any fines or other losses which we incur as a result of your failure to comply with any passport, visa, immigration requirements or health formalities.

7. MOBILITY, MEDICAL MATTERS AND SPECIFIC ASSISTANCE

Except as set out below, our ships have a limited number of accessible suites designated for guests with disabilities and reduced mobility. Please contact our Reservations Department for further information. You must ensure that you are medically and physically fit for travel, and that such travelling will not endanger yourself or anyone else. At the time of booking (or as soon as possible if the condition arises after the contract is formed) you must inform either RSSC or your travel agent in writing, but no later than 48 hours prior to embarkation about any medical or physical condition which will or may require medical treatment or attention during your holiday or which may or will affect your holiday in any way (including your use of any services or facilities). Please provide as much information as possible. If you are travelling as a sole traveller who requires specific assistance, RSSC reserves the right to require an able bodied person to accompany you. RSSC shall make all reasonable endeavours to provide any specified assistance where requested. If, in the reasonable opinion of RSSC, a Passenger's disability, mobility problem or medical condition cannot be accommodated safely by the vessel, ports or associated infrastructure or carrying a Passenger with such disability or medical condition would result in RSSC breaching national and international maritime safety standards, then RSSC reserves the right to refuse Passage.

Guests who use wheelchairs must provide their own collapsible wheelchair and may find certain areas of the ship inaccessible. If you would like to bring a motorised wheelchair or scooter on board you must contact our Special Services Department at time of booking to provide the dimensions as size limitations may apply and we may not be able to accommodate this request. Certain conditions (for example, use of tenders) may prevent guests with wheelchairs from going ashore at certain ports of call. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details. Many shore excursions may not be suitable for those guests that are confined or mainly use a wheelchair or motorised scooter. Please contact us for more details as to the suitability prior to making your selections.

8. SPECIAL DIETS & REQUESTS

The Company will endeavour, but does not guarantee, to meet any special diet requirements or special requests that you may have. These should be advised at the time of booking and detailed in writing to the company. Note: "Strict" Kosher meals must be requested at least 90 days prior to departure, call Reservations for more detailed information. Some requests may incur extra charges. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Failure to meet any special request will not be a breach of contract on our part unless the request has been specifically confirmed. Unless specifically agreed by us in writing at time of booking, we cannot accept any booking, which is conditional on a special request being satisfied. Such bookings will be treated as normal bookings subject to the above comments on special requests.

9. BOOKING AMENDMENT

Should you wish to make any changes to your confirmed booking, you must notify your Travel Agent or us immediately either in writing or by emailing specialservices@rssc.com. Whilst we will endeavour to assist you, we cannot guarantee we will be able to meet any such request. Where we can meet a request, all changes will be subject to payment

of an administration fee as well as any applicable rate changes or extra costs incurred as well as any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable (see clause 10 of these booking conditions). **Note: Certain travel arrangements, particularly, airline reservations, guest name, cruise date, category of suite or value of your booking may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements.** If you make an amendment that results in a reduction in the booking value, the difference in price will be subject to a charge in line with the percentages and timescales detailed in clause 10. For all minor changes, an amendment fee of £100 per person per booking will be payable together with any expenses (such as airline, hotel or any other suppliers charges) incurred by ourselves or imposed by any of our suppliers. Guests opting to deviate their flight will be required to pay a £50 per person fee plus any applicable fare increases fees/penalties charged by the airlines. Changes of holiday date are subject to cancellation penalties. Please ensure your names are as shown on your passports.

10. BOOKING CANCELLATION

If you or any other member of your party decides to cancel your confirmed booking you must notify your Travel Agent or us in writing or by emailing specialservices@rsc.com. Your notice of cancellation will only take effect when it is received in writing by us at our offices. We are unable to provide refunds for guests failing to comply with clauses 6, 7 and 8 of these booking conditions. Changes of holiday date are subject to cancellation penalties.

Since we incur costs in cancelling your arrangements, you will have to pay the applicable cancellation charges up to the maximum shown below (The cancellation charge detailed is calculated on the basis of the total cost payable by the person(s) cancelling excluding insurance premiums and amendment charges which are not refundable in the event of the person(s) to whom they apply cancelling):-

If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges. We will deduct the cancellation charge(s) from any monies you have already paid to us. Changes of holiday date are subject to cancellation penalties (See clause 10)

11. ALTERATIONS & CANCELLATIONS BY THE COMPANY

We reserve the right to withdraw and/or cancel a cruise or cruisetour or to make changes in the itinerary and hotel accommodations whenever, in its sole judgment, conditions warrant. Itineraries may change from time to time, both before or during your cruise. Changes to the advertised itinerary may become necessary due to prevailing weather and sea conditions, guest/crew emergencies, providing assistance to other vessels and the ship being unable to operate at its normal speed(s) due to unexpected mechanical or technical problems. We and the Master of the ship have the right to omit any port(s), and deviate from the advertised itinerary at any time.

We must also reserve the right to cancel confirmed bookings. However, we promise we will only cancel your confirmed booking after the date on which your final balance is due where you have failed to make full payment on time or as a result of circumstances outside our control/"force majeure" as defined in clause 12 below. Most changes are minor but occasionally, we may have to make a "significant change". Examples of "significant changes" include the following when made before departure: a change of cabin grade to that of a lower official classification for the whole or a major part of your holiday, a change of ship, a change in the length of your cruise by more than 12 hours and a significant change of itinerary missing out one or more major destination substantially or altogether, a change in embarkation or disembarkation port which would significantly affect connecting travel arrangements. In the event of a significant alteration or cancellation prior to departure, the Company will inform you as soon as possible and will offer you the choice of the following options:

- (for significant changes) accepting the changed arrangements or
- purchasing alternative arrangements from us, of a similar standard to those originally booked if available (if the chosen alternative is less expensive than your original one, we will refund the difference but if it is more expensive, we will ask you to pay the difference) or
- cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us.

If we have to make a significant change or cancel 10 weeks or less before departure, subject to the exceptions below, and in addition to a full refund of monies paid, we will pay you reasonable compensation in the form of a shipboard credit or future cruise credit: We will not pay you compensation where we make a significant change or cancel more than 10 weeks before departure or in the event that we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care. We will not pay you compensation and the above options will not be available if we make a minor change or cancel as a result of your failure to make full payment on time. We regret we cannot pay any expenses, costs or losses incurred by you as a result of any change or cancellation. Very rarely, we may be forced by "force majeure" (see clause 12) to change or terminate your arrangements after departure. If this situation does occur, we regret we will be unable to make any refunds (unless we obtain any from our suppliers), pay you compensation or meet any costs or expenses you incur as a result.

The above sets out the maximum extent of our liability for changes and cancellations and we regret we cannot meet any expenses or losses you may incur as a result of change or cancellation. Please note: where services with a higher price than the original are offered by us and accepted by you, the difference in price will be deducted from any compensation payable. In no case will we pay compensation if services are offered by us and accepted by you with a higher price than that originally booked with the same itinerary or on the same ship where no additional payment is made by you.

If we become unable to provide a significant proportion of the services that you have booked with us after you have departed, we will make alternative arrangements for you at no extra charge and, if appropriate in all the circumstances, will pay you reasonable compensation.

12. CIRCUMSTANCES OUTSIDE OUR CONTROL

In these Booking Conditions, "force majeure" means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events may include war or threat of war, riot, civil strife, actual or threatened terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, fire, unavoidable technical failure with transport, lawful deviation at sea in response to a distress call or other emergency and all similar events outside our control. Except where otherwise expressly stated in these booking conditions, we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our agreement with you is prevented or affected by, or you otherwise suffer any damage or loss as a result of force majeure.

13. OUR RESPONSIBILITY

(1) Subject to these booking conditions, your holiday arrangements will be performed using reasonable skill and care. Also, as long as they were acting within the course of their employment or carrying out work we had asked them to do we will be responsible if our employees, servants or agents fail to perform your holiday arrangements using reasonable skill and care. Please note that it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. If, or our employees, servants or agents fail to perform your holiday arrangements using reasonable skill and care, taking into consideration all relevant factors (for example following the complaints procedure as described in these conditions and the extent to which ours or our employees, servants or agents acts or omissions affected the overall enjoyment of your holiday), we will pay you reasonable compensation.

(2) We will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description which results from: -

- the act(s) and/or omission(s) of the person(s) affected;
- the act(s) and/or omission(s) of a third party not connected with the provision of the services contracted for and which were unforeseeable or unavoidable; or
- unusual or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or
- an event which either ourselves, our employees, agents or suppliers and subcontractors could not, even with all due care, have foreseen or forestalled.

(3) The services and facilities included in your holiday will be deemed to be provided with reasonable skill and care if they comply with any local regulations which apply, or, if there are no applicable local regulations, if they are reasonable when compared to the local standards in practice. The fact that services or facilities fail to comply with local or UK guidance or advice shall not of itself mean that the services or facilities in question have not been provided with reasonable skill and care.

(4) We limit the amount of compensation we may have to pay you if we are found liable under this clause:

- Loss of and/or damage to any luggage or personal possessions and money. The maximum amount we will have to pay you in respect of these claims is £25 per person in total because you are assumed to have adequate insurance in place to cover any losses of this kind.
- Claims not falling under (a) above and not involving injury, illness or death. The maximum amount we will have to pay you in respect of these claims is twice the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your booking.
- Claims in respect of Carriage by Sea

Carriage of passengers and their luggage by sea shall be governed by EU Regulation 392/2009 and where applicable by the Athens Convention adopted at Athens on 13th day of December 1974 and the Protocol thereto adopted as of November 1976 (hereinafter referred to as "Athens Convention 1974"). In the case of a non-shipping incident: the passenger has a right to compensation from the Carrier of up to 400,000 SDR, if the Passenger proves that the incident was the result of the Carrier's fault or neglect. The aggregate liability of the Carrier for the death of or personal injury to a Guest shall in no event exceed 400,000 SDR's per passenger per incident (approximately £383,733.54) or 250,000 SDR's in the case of War and Terrorism (approximately £239,833.46)

- In the case of apparent damage before or at the time of disembarkation or redelivery.
- In the case of damage which is not apparent or loss of luggage, within 15 days from the disembarkation or delivery or from the date any such delivery should have taken place.

The Carrier shall not be liable for any loss or damage to luggage that occurs outside the course of carriage including any loss or damage before or after the luggage comes into the Carrier's actual possession, custody and control, including, but not limited to, where the luggage is in the possession, custody and control of airlines or other transportation services.

The Carrier provides safekeeping for valuables aboard Ship and encourages Guests to deposit any jewellery or other valuables brought aboard the Ship with the Reception Desk staff who will issue a receipt for such valuables. The Carrier provides an in-room personal safe for Guests convenience. However, the Carrier shall not be liable for any loss of or damage to money, jewellery, watches, precious stones and metals, securities, financial instruments, tickets and/or other valuables unless they have been delivered to the Reception Desk for safekeeping and a receipt issued in which case the Carrier's liability is limited to SDR's 3,375 (approximately £3,237.75) under EU Regulation 392/2009 and the Athens Convention 2002 and 1200 SDR's (approximately £1,151.20) pursuant to the Athens Convention 1974. SDR's are a monetary unit of the International Monetary Fund and current exchange rate can be found in major financial newspapers.

All settlements will be made on the basis of actual cash value (replacement cost, less depreciation) Claims for damaged items will be settled on the basis of cost of repair. No amount shall be paid in settlement of any claim without proof of the actual cash value, or repair cost, as appropriate, arising from the loss or damage. Such proof must be sent to the Carrier. The Carriers' liability must also be proven before any settlement will be paid.

Any damages payable by the Carrier up to the Athens Convention 1974 OR 2002 or EU Regulation 392/2009 limits shall be reduced in proportion to any contributory negligence by the Guest and by the maximum deductible specified in Article 8 (4) of the Athens Convention.

d) Claims in respect of international travel by air and rail, or any stay in a hotel

- The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements); You can ask for copies of these Conventions from our offices. Please contact us.

ii) We are not the operating Carrier and do not have any liability to pay compensation in any circumstances in which an air carrier is liable to you by virtue of the Denied Boarding Regulation 2004 Your remedies provided under the Regulation are against the air carrier.

iii) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

(7) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or any business losses.

(8) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

14. CONDITIONS OF CARRIAGE

Carriage by road, rail and by sea will be subject to the operating carrier or transport company's own "Conditions of Carriage" will apply to you on your journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those "Conditions of Carriage". You acknowledge that all of the terms and conditions contained in those "Conditions of Carriage" form part of your

contract with us, as well as with the transport company and that those 'Conditions of Carriage' shall be deemed to be included by reference into this contract. Copies of the Conditions of Carriage of any carrier may be available from our Head Office by arrangement, though reference to and a summary of them will be contained on or with the carriers' tickets which we send you when you have paid for your holiday in full. Carriage by Sea is operated by Regent Seven Seas Cruises® whose vessels are registered as follows: M/S Seven Seas Navigator® is registered in Bermuda, M/S Seven Seas Voyager® is registered in the Bahamas, and M/S Seven Seas Mariner® is registered in the Bahamas, M/S Seven Seas Explorer® is registered in the Marshall Islands, on behalf of Seven Seas Cruises S. DE R.L., 8300 NW 33rd Street, Suite 308, Miami, FL 33122, United States of America.

CRUISES

The Carriers conditions of Carriage can be accessed on the website www.rssc.com. Guests agree that the sale and consumption of alcoholic beverages will be limited to Guests who are 21 years or older and no Guest will attempt to purchase or consume such beverages in violation of this policy under any circumstances, either for themselves or others. Carrier will refuse and prohibit the sale or service of alcoholic beverages to Guests under the age of 21 years. Smoking is expressly forbidden in all staterooms, suites and on verandas. Infants must be one year of age as of the first day of the Cruise. Guests must be 18 years or older to use any equipment provided in the on-board Fitness Centre, with the exception of children aged 16 or 17 years of age, who may use the equipment in this facility if accompanied by a parent or other legal guardian at all times. Children under the age of 16 are not permitted in the Fitness Centre.

Guests understand and acknowledge that prenatal and early infant care, in particular, may require specialised diagnostic facilities and/or treatment that are not obtainable during the Cruise on board the ship and/or ashore in ports of call. The ship's doctor is not qualified to deliver babies or to offer pre or post natal treatment and no responsibility is accepted by the Carrier in respect of the inability to provide such services or equipment.

The Carrier recommends that women who are less than 12 weeks pregnant should seek medical advice prior to travel. The Carrier does not have on board its ships adequate medical facilities for childbirth. The Carrier is unable for safety reasons to accommodate women past their 24th week of pregnancy.

All pregnant women are required to produce a doctor's letter stating that mother and baby are in good health, fit to travel taking into account the proposed itinerary and that the pregnancy is not high-risk. The letter must also include the estimated date of delivery calculated from both the last menstrual period and ultrasound (if performed). The Carrier cannot carry a Guest unless they comply with this requirement.

The Carrier expressly reserves the right to refuse passage to board to any Guest who has or will enter the 24th week of pregnancy at the beginning or at any time during the Cruise or who appears to be in an advanced state of pregnancy and the Carrier shall have no liability whatsoever in respect of either such refusal and/or the carriage of any such Guest.

EU Regulation 1177/2010 applies where the Cruise begins in an EU port. A summary may be viewed at http://www.rssc.com/media/hostedfiles/legal/EU_SUMMARY_1177_2010.pdf.

Guests must provide full details at the time of booking of any requirement for a disabled cabin and or if the Guest has any special seating requirements and or if the Guest needs to bring any medical equipment on board and or the Guest needs to bring a recognised assistance dog on board the vessel. Please note that assistance dogs are subject to national regulations. Where the Company considers strictly necessary for the safety and comfort of the Guest and in order for the Guest to fully enjoy the cruise, it may require a Disabled Person or Person with Reduced Mobility to be accompanied by another person who is capable of providing the assistance required by the Disabled Person or Person with Reduced Mobility. This requirement will be based entirely on the Carrier assessing the need of the Guest on grounds of safety and may vary from vessel to vessel and/or itinerary to itinerary. Guests confined to a wheelchair are asked to kindly furnish their own standard size collapsible wheelchair and must also be accompanied by a travelling Guest who is fit and able to assist them.

If the Guest has any particular conditions, Disability or Reduced Mobility which require personal care or supervision then such personal care or supervision must be organized by the Guest and at the Guest's expense. The vessel is unable to provide respite services, one-to-one personal care or supervision or any other form of care for physical or psychiatric or other conditions.

If after careful assessing the Passenger's specific needs and requirements, the Carrier concludes that the Guest cannot be carried safely and in accordance with applicable safety requirements then the Carrier can refuse embarkation of a Disabled Person or Person with Reduced Mobility on the grounds of safety.

The Carrier reserves the right to refuse to carry any Guest who has failed to adequately notify the Carrier of any Disabilities or needs for assistance in order for the Carrier to make an informed assessment that the Passenger can be carried in a safe or operationally feasible manner on the grounds of safety. If the Guest does not agree with a decision of the Carrier then the Passenger must provide a complaint in writing with all supporting evidence to the Company and the matter will be considered by a Senior Manager.

The Carrier reserves the right to refuse to carry any Guest who in the opinion of the Carrier is unfit for travel or whose condition may constitute a danger to themselves or others on the Cruise on the grounds of safety.

15. EXCURSIONS, LAND TOURS, LECTURES & PERSONALITIES

Excursions or other tours that you may choose to book or pay for whilst away are not part of your contract for a package holiday provided by us. Whilst we exercise reasonable care and skill in selecting reputable and competent independent contractors we do not perform the excursions or land tours. All such shore excursions and land tours are operated by independent contractors and we act only as an agent in booking them even where we suggest or recommend a particular supplier and/or feature such excursions in our brochure and/or assist you in any way in booking them. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We shall not be liable for any loss, injury, death, damage or misrepresentation, including but not limited to, loss of enjoyment, disappointment or distress for changes to, or cancellation of any shore excursion or land programmes that do not form part of your fly cruise package booked with us. These independent contractors may impose additional limitations of liability in their own booking terms and conditions which are available from us on request. Shore excursions are capacity controlled based on first come first served basis. A supplement will apply on 'Regent Choice' excursions.

Requested excursions may not be available at time of booking. Some optional pre- and/or post- cruise land tours, shore excursions or special events are subject to cancellation if a minimum number of participants is not achieved. Guest lecturers, hosted cruises and entertainers are subject to change and/or cancellation without notice. Whilst we will make every effort to accommodate all our guests, please note that some shore excursions and land programmes may not be suitable for Guest's with limited mobility. Please contact us prior to confirming your shore excursions. Nevertheless we will endeavour to absorb costs where we can although it may be necessary to impose an additional charge. We will be happy to try and assist with the booking of private shore excursions where possible, please contact us to discuss further.

Please enquire at the time of booking. We are not always in a position at the time of booking to confirm your flight arrangements. The carrier(s) and flight timings detailed on your air itinerary or invoice are subject to alteration and confirmation. The latest timings will be shown on your e-tickets which will be dispatched to you approximately two weeks before departure. You must accordingly check all documents immediately on receipt to ensure you have the correct flight information.

We reserve the right to choose the air carrier and routing and the right to change airline routing for any reason and/or re-route guest without prior notice to the nearest departure city if adequate air service is unavailable. Please note; that your booked flight may not be the most direct route and may also involve a stop en-route to your destination which may involve you disembarking from the aircraft. Occasionally, due to scheduling conflicts an en-route overnight stay might be necessary. Should this be the case, we will advise you or your Travel Agent about this at the time of confirming your air schedule, or as soon as we are made aware of any changes by the airline. Unless otherwise specified in the cruise programme description there may be costs associated with the events described and these will be the responsibility of the guest. En-route overnights as described are subject to change/cancellation due to changes in the air scheduling. It is possible that flight times may be changed even after tickets have been dispatched and therefore we recommend that all guests check with their applicable air carrier(s) at least 72 hours in advance to reconfirm flights and baggage allowance/fees. Any change in the identity of the carrier(s), flight timings, and/or aircraft type will not entitle you to cancel or change to other arrangements without paying our normal charges. Guests opting to deviate their flight will be required to pay a £50 per person fee plus any applicable fare increases/fees/penalties charged by the airlines. Should guests have a specific routing or airline choice please make this known at time of booking, charges may apply. Airline tickets can only be issued upon receipt of full payment. Guests are required to provide certain information to the airlines; including passport information, home/destination address details, contact mobile phone number and email address. The mobile phone number and email contact details will be used by the airline solely for the purpose of informing passengers of delays and not for any other purposes. Please refer to the airline's website. Failure to provide this information at least 72 hours prior to your flight may result in complete cancellation of your air schedules. All airline tickets issued by Regent Seven Seas Cruises® are refundable only to Regent Seven Seas Cruises® and are considered part of the total cruise or cruise tour fare. This also applies where an air upgrade has been purchased.

This brochure is our responsibility, as your tour operator. Please note that in accordance with Air Navigation Orders in order to qualify for infant status, a child must be under 2 years of age on the date of their return flight. It is the guest's responsibility to: a) check their baggage allowance for all flights; or if you are booked on different air carrier(s) or in different class of travel to/from the ship your baggage allowances may differ – please ensure you check the airline websites of each carrier in your itinerary; b) check the departure and arrival terminals of all flights; c) ensure you arrive at check-in and departure gate by the appropriate time with all proper and necessary documentation. Due to airline restrictions, Regent Seven Seas Cruises® is not always authorised to pre-reserve seats for their guests. Regent Seven Seas Cruises® is not responsible for pre-assigned seating prior to flight departures, for any reason. Guests are advised to contact the airline(s) directly to confirm pre-assigned seating. Some airlines will allow pre-assigned seating requests only once the ticket has been issued and may make an additional charge for this service. Airline tickets can only be issued on receipt of full payment for the cruise holiday. We/the airline will endeavour to satisfy any special service(s) requests such as adding frequent flyer numbers, requesting special meals or mobility assistance. Some airlines restrict the accumulation and/or use of frequent flyer miles in conjunction with fares used by Regent Seven Seas Cruises®. Guests are at all times responsible for paying all service fees imposed by the airlines. These fees are at all times non refundable.

If your booking with us is on a fly/cruise basis and you have not deviated your flights, a transfer from/to the airport will also be provided. In certain ports of call, where the return flight is late in the day, we may at

our discretion (subject to minimum numbers) provide a complimentary baggage store, hospitality area or tour prior to your return flight. Hotel day rooms are not included as standard and Guests wishing to book day rooms may be able to do so at their own expense. Where we have contracts with local suppliers, this option may be available for purchase prior to sailing or in the disembarkation questionnaire when onboard our ships for you to book.

Please note the existence of a "Community list" (available for inspection at http://ec.europa.eu/transport/air-ban/list_en.htm) detailing air carriers that are subject to an operating ban within the EU Community. Under EU Law, you have the right in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of the price of your arrangements from us. Your rights to a refund and/or compensation from us are set out in clause 12 above. If the airline does not comply with these rules you should complain to the Aviation Consumer Advocacy Panel. Information for air passengers, including how to make a complaint, is available on the Civil Aviation Authority website www.caa.co.uk.

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that body has paid sums you have claimed under the ATOL scheme.

18. COMPLAINTS

In the unlikely event you have a reason to complain whilst away, you must immediately notify the Executive Concierge on board ship and the supplier of the service(s) in question (if not us). This is to ensure that we are given the opportunity to address and to attempt to resolve any issue you raise. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Any verbal complaint must be put in writing and given to the supplier and us as soon as possible. If a problem cannot be resolved to your satisfaction you must write to us no later than 28 days from the end of your holiday. Please keep your letter concise and to the point. We regret we cannot accept liability for any complaints or claims which do not involve death, personal injury or illness, if you fail to notify the complaint or claim in accordance with this clause. Any dispute, between us, which cannot be settled by agreement, you may use the ABTA arbitration scheme as below.

We are a Member of ABTA, membership number Y3266. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on <http://abta.com>.

21. REFUSAL OF TRAVEL

If in our reasonable opinion or the reasonable opinion of the Ship's Master or doctor, you are or appear to be unfit to travel for any reason or a risk or a danger to yourself or a danger to others or behave in such a way as to cause or likely to cause danger, upset or distress to any third party or danger to property. In this situation you are entitled without prior notice to refuse to allow you to travel on any ship and to terminate your cruise holiday at any time. You may then be left at any port or place at which the ship calls without our incurring any liability. You will have to pay any costs, expenses or losses suffered as a result, and we will not pay any compensation or give you any refund. Once your holiday has been terminated in this manner, we will not have any further responsibility towards you. The same right to refuse to allow you to travel or to use any services applies where you are or appear to be unfit to travel or otherwise behave badly as set out above during any other part of your holiday.

GENERAL INFORMATION

ADVANCE PASSENGER INFORMATION

Advance Passenger Information or APIS is a requirement of many governments around the world that certain information is provided by airlines prior to travel. It is compulsory that you provide APIS details in advance of going to the airport by visiting the individual airlines website. The data is collected by the authorities of each country and used for law enforcement purposes. It is important that the information provided is accurate so you pass through immigration on arrival in these countries without delay.

Failure to provide the required information in a timely manner will result in denied boarding by the airline.

BAGGAGE & VALUABLES

Please ensure all valuables and important items (for example, medicines, jewellery, fragile items, important travel and other documents, video/camera/computer equipment, etc.) are carried by hand and not packed in your checked luggage. The amount of personal luggage on your vessels is not limited, but airlines do have limitations and strict guidelines on the weight of checked and carry-on luggage. Excess baggage fees may apply. Guests are strongly encouraged to contact the airlines directly. Each suite is equipped with a personal safe with an electronic combination lock. RSSC is not responsible for any personal articles such as money, jewellery, cameras, binoculars, documents or any other items which you retain personally or in your suite, including the safe.

CHILDREN

No person under the age of 18 may travel in a suite alone. If the adult accompanying the child is not a parent, a 'Parental Consent Guardianship Form' must be signed by the parent or legal guardian and received by RSSC prior to sailing. RSSC reserves the right to restrict the number of children onboard. Children under the age of 12 must be accompanied at all times on the cruise by a responsible adult while on board ship. Our Club Mariner programme is available on select sailings only and designed for age groups 5-8, 9-12 and 13-17, and is supervised by specially trained counsellors. Babysitting services cannot be arranged in advance nor are guaranteed. Charges will apply. RSSC does not provide for the care, entertainment or supervision of children. Infants must be one year of age as of the first day of the cruise.

CLOTHING SUGGESTIONS

Attire ranges from Casual to Formal Optional. Casual wear is appropriate for daytime onboard or ashore, and consists of resort-style outfits. Casual wear, including shorts and jeans, is not appropriate after 6:00 pm, with the exception of the final evening of the cruise. On the night prior to disembarkation, guests may need to pack their luggage early due to morning flights the next day. With this in mind on the last night of every voyage we will relax the dress code for dinner to Casual.

The recommended onboard dress in the evenings is Elegant Casual resort wear. Formal and semi-formal attire is optional on sailings of 16 nights or more. Dinner dress includes skirt, or trousers with blouse or sweater, pant suit or dress for ladies; trousers and collared shirt for gentlemen. Sport jackets are optional. Jeans, shorts, t-shirts or tennis shoes are not to be worn at dinner. Ties are not required.

CRUISE PRICES INCLUDE

Suite accommodation for chosen cruise • Return economy flights (see Terms and Conditions) • A 1-night pre-cruise Luxury Hotel Package for bookings confirmed in a Concierge Suite and higher • Transfers • Shore excursions (select Regent Choice tours subject to a supplement) • All onboard gratuities • All meals, in-suite dining, 24-hour room service and NO charge for Speciality Restaurants • Drinks and beverages including selected wines, spirits, champagne and beer throughout the ship • All soft drinks, bottled water, tea and coffee • Butler service (C-MS categories) • Gratuities • Governmental fees, handling and security charges.

CURRENCY

The ships currency is the US dollar and all charges made on board to the company shall be in US dollars. We operate a 'cashless system'. At the time of embarkation, we request registration of an accepted credit card. The night prior to your final disembarkation from the ship, a detailed statement of your shipboard charges for on board services and products will be delivered to your suite. All such charges must be settled in full by cash, traveller's cheque or accepted credit card (Visa, MasterCard, American Express). On limited itineraries the ship may offer foreign currency exchange from the Reception desk. All onboard foreign currency exchange transactions will be charged to the guest's onboard account and a 5% transaction fee will be applied. As we are unable to provide all currencies, most can be found within the ship's terminal.

CUSTOMS & IMMIGRATION INSPECTIONS

On returning from your cruise, all baggage is subject to inspection by local customs officials.

ELECTRICAL APPLIANCES

Both 110 (US) and 220 (European) volt electric current are provided on board. Each suite is equipped with a hair dryer. It is recommended that you pack an international adaptor.

EMBARKATION/DISEMBARKATION

Although suites will not be available until 15.00 the ship is ready for embarkation from 12.00 (noon) but no later than two hours prior to the time of sailing. For disembarkation, Guests should plan on vacating their suites shortly after the scheduled arrival time. Cruise-only Guests should not schedule flights home prior to four hours after disembarkation.

GRATUITIES & TAXES

Gratuities are included in your cruise fare for all Regent employees. If guests feel strongly about expressing their gratitude to the crew, they should be encouraged to make a donation to the Crew Welfare Fund at the Purser Office. This money is utilized for crew parties and events. Gratuities for services received shoreside are at your own discretion. Port taxes and security charges are included in your cruise fare. These taxes and/or fees are subject to revision based on governmental actions.

GUARANTEE (GTY) BOOKING

We may (at our discretion) offer you the option of making a 'Guarantee' (GTY) booking. This means you may book a suite of a guaranteed minimum category type, (specified by us prior to booking) on your chosen ship. However, the exact location of the suite on the ship will be allocated by us (at our discretion) and at any time up until checking in at the port. Once your GTY suite has been allocated to you we are unable to accept changes requested by you. If you have a specific requirement, or suite location we suggest you do not book a GTY. Please note: If you book multiple segments there is a possibility that you may be allocated different suites on each segment of your cruise.

LAUNDRY/VALET SERVICES

Laundry and valet services, including pressing and dry cleaning, are available with charge and may be arranged through your Stewardess. On board Seven Seas Navigator®, Seven Seas Mariner®, Seven Seas Voyager®, and Seven Seas Explorer® self-service laundries including irons and ironing boards are located on select guest decks. Self service laundry is free of charge, with detergent provided.

MEDICAL FACILITIES

Each ship has a licensed and registered doctor and nurse for professional and emergency services, which are available at customary charges. The ships' medical centres are designed to provide medical care for certain temporary illnesses and accidents and are not intended or capable of providing on-going treatment of pre-existing medical conditions. Any such special requirement or need for health services aboard ship must be cleared in writing with RSSC before final booking(s) will be accepted. For Guests requiring oxygen equipment, an oxygen concentrator is the only form of oxygen equipment allowed aboard ship, and must be provided by the guest. RSSC wheelchairs on board are for emergency purposes only. There is a charge for all medical services and adequate travel medical insurance is strongly recommended. Charges must be paid onboard ship and claims for reimbursement should be directed to your travel insurers.

OPTIONAL HOTEL STAYS & LAND PROGRAMMES

We offer Guests the option to purchase hotel stays or land programmes. You may extend your stay in your port of embarkation or disembarkation or opt for an exclusive package. The prices include room, tax, service charges, full breakfast, portage, local hospitality service and transfers as applicable. Please note these rates do not include early check in or late check out. Official standard check-in time is usually 3:00 pm and check-out time 11:00 am. One night or additional nights' accommodation may be purchased to ensure early check in for guests arriving on early flights, or for guests with late flight departures. RSSC reserves the right to substitute hotels. For single and third guests supplements will apply.

(Note: Seven Seas Navigator® does not provide any indoor smoking area). Although smoking is prohibited in ALL suites, staterooms and private balconies, there are multiple areas on each vessel where smoking is permitted.
